EDUCATION

SaiGon University

Software Engineer

March 2025

Current GPA: 3.3/4.0

COURSEWORK

Courses: HTML/CSS, JavaScript, Spring Boot, Laravel

SKILLS

Languages: Java, JavaScript, HTML/CSS, PHP, GoLang.

Tools: Git/GitHub, VS Code, IntelliJ CLion/PyCharm/IDEA, Docker, Postgresql.

EXPERIENCE

HTML Templates | *HTML/CSS, JavaScript, Git, VS Code*

Nov. 2023

- Designed and developed a collection of single-page HTML templates aimed at improving proficiency in HTML/CSS and JavaScript. These templates served as practical exercises to enhance frontend development skills.
- Implemented responsive designs and interactive elements using CSS and JavaScript to ensure compatibility across various devices and browsers.

Netflix Clone (For Study Only) | *PHP, Laravel, HTML/CSS, MySQL, VS Code*

Sep 2023

- Led the development of a Netflix clone web application, focusing on backend functionality using PHP and the Laravel framework. This project provided hands-on experience in building dynamic web applications with user authentication, database management, and RESTful API development.
- Implemented database schema design and management using MySQL, ensuring efficient data storage and retrieval for the application.

A Simple E-commerce Website | *JavaSpring, Maven, Git, IntelliJ IDEA, Docker, PostgreSQL*

Aug. 2022

- Contributed to the development of an e-commerce website using Java Spring Boot, Maven, and Docker for containerization. Collaborated with a team of developers to design and implement core features such as product catalog, user authentication, and order processing.
- Utilized PostgreSQL for data storage and management, ensuring data integrity and scalability for future expansion. Implemented RESTful APIs for seamless interaction between frontend and backend systems.

HOBBIES

Sports

Football and Badminton

Listening to Music and Reading Books

I enjoy spending my leisure time listening to various genres of music, which helps me relax and unwind. Additionally, I am an avid reader and like to explore different genres of books, ranging from fiction to non-fiction, to broaden my knowledge and perspective.
